VILISLAV KALENSKI

Software Developer

SUMMARY

Result-oriented software developer with 2+ years experience covering project tasks (with Scrum methodologies, ASP.NET Core, ASP.NET Web API, EF Core, etc.), creating and supporting complex infrastructure (Azure and Azure DevOps), for fast-working and growing projects. I'm detail-oriented and adapt quickly to changing project requirements to meet business goals. I often need to learn something new and useful.

PROFESSIONAL EXPERIENCE

Software Developer
11/2023 - Present
